## **CheezX®**

Dear Sir or Madam,

We hereby confirm that our product CheezX® is manufactured to be non-toxic and does not contain any hazardous substances. Furthermore, it is allergen-free and gluten-free, making it suitable for use in sensitive environments.

CheezX® is composed of synthetic thermoplastic elastomer (TPE), combined with specifically selected flavoring agents and colorants. The materials used in the production process are carefully chosen to ensure product safety and consistent quality.

We also confirm that CheezX® does not contain any genetically modified organisms (GMOs).

Should you require any further technical details or documentation, please do not hesitate to contact us.

Sincerely,

Münir Gültekin / CEO
